

Join Hennepin Theatre Trust in spreading joy and community connection. As we approach the end of a challenging year, help us shrink the distance across our community by supporting our nonprofit mission of creating positive change through the arts in two easy ways.

Please draw an inspiring picture or message on the blank space of this card. Email a photo of your art to **Donors@HennepinTheatreTrust.org** and make a gift at **HennepinTheatreTrust.org/Support**.

Your art will join others in our virtual community gallery, and your financial contribution will allow us to continue instilling confidence and critical thinking skills in more than 8,000 Minnesota students, support local artists and provide meaningful cultural experiences in the Hennepin Theatre District.

Thank you for your support.
